Honda GC190 (6.0 HP) small engine: review and specs

I recieved my Honda GCV190N5AP yesterday, and split 2 pick-up loads today. Took about an hour to replace the old briggs engine with the new Honda. It fit perfectly. I filled it with oil and gas, and it started on the first pull. Its the easiest starting engine i've ever owned. I think the 160 would have worked, but i'm glad i got the 190.

Yeah, just went thru that with a GX340 engine on my pressure washer - the thing acted like a fuel problem. It would start and run OK at idle, but under load it would run maybe 15-20 seconds and die - if I was quick enough, choking it would SOMETIMES keep it from dying. Checked the in-tank fuel filter, looked NEW. Pulled float bowl, flushed out everything with the nastiest carb cleaner I could ...

Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s.
